'Scorched Earth Policy' Will Affect Them Only, Allies Have Own Supplies

By the Associated Press

Gen. Eisenhower bluntly informed the German people today that they "cannot count upon food, fuel or clothing from the military government," and must rely upon their own resources.

The "scorched earth policy" of the retreating Nazi army will serve only to multiply the suffering and hardships of the German people, he said in a proclamation read over Allied transmitters in Europe and reported by the office of war information.

"The Allied armed forces will import the bulk of their requirements," the proclamation said. "If they should be in a position to give help to the population of Europe, this help will primarily go to the population of the countries which have been ravaged and plundered by the German armies. The German people will have to rely on its own resources. It is of highest importance that these resources should not be destroyed by the Nazis' scorched earth policy."

"Food supplies, seeds, fertilizers and agricultural machines must be salvaged above all," Eisenhower said, "if hunger is not to follow the defeat. German farmers must by all possible means prevent the Nazis from driving away their cattle as the Allied armies advance. They must do everything in their power to keep their farms in order and to achieve peak production."

### Army Will Be Defeated

Eisenhower warned the people of the Reich that "the hopes of the German people to avoid economic collapse after the defeat are largely dependent upon the extent of German opposition to Nazi plans to destroy German property and German natural resources before the occupation by Allied troops."

"The German army will be defeated," the proclamation said. "Larger and larger portions of the German territory will be occupied by the Allied armies until the national socialist government and the German armed forces finally surrender or until they are crushed."

"The hopes of the German people to avoid economic collapse after the defeat are largely dependent upon the extent of German opposition to the Nazi plans to destroy German property and German natural resources before the occupation by Allied troops. The scorched earth policy does not affect the Allies, as the Allies bring their own supplies. The German people, on the other hand, will suffer severe hardships through this policy."

## Pvt. Michaelis Is Wounded

Glenn Leroy Michaelis, 20 year old son of Mr. and Mrs. Conrad Michaelis, 215 East Broadway, a private in General Patton's Third Army infantry in France, was wounded in action on November 21, only two days before his birthday, according to a letter received by his parents through the Red Cross.

In the letter, which revealed very little information concerning his injuries, it was stated that Glenn had been hit by shrapnel clipping part of his ear and wounding him in the shoulder. The letter apparently had been written by a Red Cross nurse and dictated by Glenn.

Entering the service shortly after graduation from Smith-Cotton in May 1943, he received his training at Ft. McClellan, Ala., and went overseas in November 1943. Since that time in his service abroad he has sent home many souvenirs such as perfume, German, French, and Belgium money, a German gas mask, knife, hand grenade, shells and different brands of tobacco.

Pvt. Michaelis has seen action in Normandy, England, France and Luxembourg.

### Parents Received Purple Heart Posthumously Awarded Son

Mr. and Mrs. Herbert Solomon, 1807 West Broadway, have received the Purple Heart posthumously awarded their son, Col. Calvin D. Solomon, who was killed in action in France August 2.

Cpl. Solomon, who was serving with the infantry division, was a 1941 graduate of Smith-Cotton high school.

### Entering Army as Chaplain

The Rev. Willis H. Chaney of Green Ridge, who for the past two years has been commerce instructor and athletic coach in the Smithton high school and pastor of the Olive Branch Baptist church will leave for Ft. Devins, Mass., where he will enter the army as a chaplain with the rank of lieutenant.

## Sgt. Lester M. Jones Receives His Second Oak Leaf Cluster

FIFTEENTH AAF IN ITALY—Master Sgt. Lester M. Jones of 1318 South Warren avenue, Sedalia, a line chief in the oldest fighter group in the AAF, has been authorized to wear a second Oak Leaf Cluster on his presidential citation.

The original citation was for a strafing attack on an airfield at Foggia, Italy, before the Salerno landing. The group's fighter pilots destroyed 36 enemy planes and damaged 52 others in the first such long-range, low-level strafing attacks in strength.

An Oak Leaf Cluster was added for an escort mission over enemy rail yards at Aversa, Italy, where the P-38 pilots beat off an enemy attacking force estimated at 75 planes, enabling a 15th AAF heavy bomber formation to reach the target.

The second cluster was for a withdrawal cover mission in support of a heavy bomber attack on the Roanmo American oil refineries at Ploesti, Rumania where the fighter pilots engaged and drove away 80 enemy planes attacking the bombers at a loss of only one P-38. Ten enemy planes were shot down in the battle.

The group, oldest in the AAF, was organized in France during World War I. It was the first American fighter group to arrive in the European theater in this war. It is commanded by Col. R. B. Richard, of Visalia, Cal.

## Report Robbery of Marshall Filling Station

Monday night local police were requested to be on the lookout for a man and a woman, riding in a 1937 or '38 Plymouth coupe, who were said to have robbed a filling station at Marshall of approximately \$127 in money and gasoline rationing stamps for several hundred gallons of gasoline. The robbery was broadcast about 7 o'clock over the state highway patrol radio stations.

According to information received by local police, the man was described as being about 37 years old, five feet eight inches tall, wearing a brown hat and a brown top coat. No description of the woman was obtained as she was said to have remained in the car, which was parked at a gasoline pump.

As far as could be learned no gun was used in the robbery.

## Roy E. Winfrey Injured in Action

Mrs. Jerome A. Pummill, 224 South Vermont avenue, has received a message from the war department stating that her brother, Technician Fifth Grade Roy E. Winfrey, was slightly injured in action November 17 in France.

Winfrey made his home with his sister before leaving Sedalia with the National Guards, 128th Field Artillery, in 1940. He is now in the tank division. After being sent overseas in January, he was first stationed in England and arrived in France at a date near D-Day, June 6.

Winfrey is a son of A. G. Winfrey of St. Louis and a brother of H. E. Winfrey, 1309 South Lamine avenue, Sedalia.

## Milner Hotel Damaged by Fire, Smoke

Rout 100 Guests From Rooms Early Today, No Injuries

More than 100 guests of the Milner hotel were routed from their rooms, about 12:30 o'clock this morning, when smoke from a fire originating in the basement filled the four-story structure. They appeared in the spacious lobby attired in night gowns, pajamas, various array of lingerie with many types of coats from fur to cloth to keep them warm while others took time to get fully dressed before leaving their rooms.

For nearly two hours they remained in the lobby waiting for the smoke to clear from their quarters after which they returned to their rooms, made cold when police and hotel employees went through the three upper floors and opened all windows. They evidently did not suffer any ill effects from their experiences, although a number were red eyed due to the smoke which filled the rooms, while they gathered together a few personal belongings before going downstairs.

H. M. Thompson, manager of the hotel said the boiler went dry while the night service man, Robert Haney, 926 South Kentucky avenue, was busy in another part of the hotel. With a big fire in the furnace, the boiler became overheated and caused smoke to escape into the building. He said he ordered Haney to "pull the fire" and wet the hot ashes down. This was sometime between 10:30 and 11 o'clock Monday night.

### Using New Coal

Haney, this morning, said a different type of coal was obtained by the hotel, after they had been unsuccessful in heating with slack which they had been using. He said he had a good fire in the furnace and when he left the boiler was about half full of water. He had to go to other duties in the hotel, during which time the boiler went dry and became overheated.

Haney said when he returned from upstairs to the lobby he smelled smoke and went to the basement to investigate. He said the wrappings on the boiler were smoldering but were not blazing. He called to police officers, as they had been called to investigate, that he was going to open the safety valve and try to put some water on the boiler to cool it down. He warned them to leave.

Night Chief John J. O'Brien who went to the hotel on the call, said he went to the basement and it was filled with smoke, but he was assured the fire was out and all danger was over. He returned to police headquarters.

Water on the hot ashes and cinders created a gas and along with the smoke from the ashes, filled the basement, gradually escaping (Please Turn to Page 2, Col. 5)

## Americans Pay With Lives for Shell Shortage

LONDON, Dec. 5.—(P)—American soldiers are paying with their lives for a western front shell shortage, a Daily Mail dispatch disclosed today.

Noel Monks, Daily Mail correspondent with the U. S. Ninth army, wrote:

"The final assault on a town had begun and American infantry on the outskirts were counterattacked by the last German tanks in this sector."

"Heavy fire from the tanks caught the Americans as they came up an incline leading into the town. They had no tank support owing to mines."

"A call was made immediately for artillery support while the Americans dug themselves in. I was in the command post when the colonel passed on the call for artillery support. I could hear the reply coming through the phone:

"Too bad, but we fired our quota in the opening stages of the attack." Without saying a word, the young colonel slumped into a chair.

"Fired their quota," he said. "No use telling them that the German tanks haven't fired their quota and my men are being cut up for the want of a few more American shells."

## At Least 6,000 Airports Are Needed

By James Marlow

WASHINGTON, Dec. 5.—(P)—Congress has a billion-dollar baby. Some baby.

It's a plan which says: Within 10 years after the war this country will have 400,000 civilian airplanes — commercial and private. So, this country needs at least 6,000 airports. The cost: \$1,250,000,000.

It isn't a dream. The plan comes from the Civil Aeronautics Administration (CAA).

Congress asked CAA to whip it together so we can tell what

to expect in civil aviation. Congress must do something about it next year or wait till full peace comes.

Some of what CAA's experts say and think is given here: There are 25,000 civilian aircraft in this country now. Although they'll reach 400,000 ten years after the war, they'll keep on multiplying.

There are 3,000 existing airfields. CAA wants to improve 1,625 of them and add 3,050 more.

## Bulletin

ATLANTA, Dec. 5.—(P)—A number of prisoners at the Atlanta Federal Prison barricaded themselves in the segregation unit today and were holding four officers as hostages.

Warden Joseph W. Sanford announced that a number of recently arrived inmates were in the quarantine section of the segregation building.

James V. Bennett, director of the Bureau of prisoners who happened to be in Atlanta on a routine inspection trip, Sanford said, was "attempting to ascertain the basis of the difficulty and persuade the men to surrender control of the building."

## Hansell Reviews Raids

Japanese Aircraft Plant Damaged But Far From Being Completely Wrecked

By Vern Haugland

SAIPAN, Dec. 5.—(P)—Brig. Gen. Haywood Hansell, commander of the 21st Bomber Command, said at a press conference today:

"Substantial damage was inflicted upon the Musashima aircraft plant but it was not destroyed by a damned sight."

The general reviewed the four Tokyo raids on November 24, 27, 29 and December 3, saying that weather conditions in the Tokyo area for the past two weeks not only handicapped the observation of the bombing results but also interfered with the accuracy of the bombing itself.

The B-29 pilots encountered extremely high westerly winds—especially during the last raid (Sunday) when winds approaching 200 miles an hour increased the difficulty of aiming and timing the runs.

General Hansell pointed out these factors, he said. Not to make alibis for the first but to draw attention to pertinent facts in the bombing.

One flier said: "You can imagine the terrific speed of our aerial battles over Tokyo. We were roaring away from the target with a tailwind which brought our ground speed up to about 500 miles an hour. The Jap fighters in turn were approaching us at 400 miles an hour. You can calculate the speed with which we met and passed and the split second nature of our gunnery as well as our bombing."

### Sweazy Succeeds Klein

NEW YORK, Dec. 5.—(P)—The Presbyterian board of national missions today announced the election of the Rev. George E. Sweazy, Ph. D., D. D., pastor of Tyler Place Presbyterian church, St. Louis, Mo., as secretary of the board's department of evangelism.

## Police Dog, AWOL, in M.P. Guardhouse

KANSAS CITY, Dec. 5.—(P)—A police dog whose collar tag identifies him as Smokey, No. 62, Company A, 366th Medical Battalion, Camp Robinson, Ark., is in the military police guardhouse here today, apparently AWOL.

Capt. A. J. Quinn and Sgt. Oakley Frank answered a call to the Eric Bennett home last night on complaint that an army dog was chasing Mollie and Susie, cats of the Bennetts.

"After we got smokey sorted out, we led him to the car and took him to the guardhouse," military police at the provost marshal's headquarters, said. "He's still there, snoozing away."

The Bennetts had let the dog into the house when they saw he had an injured foot.

## Patton's Infantry Division Drives Through Saarlautern Into Siegfried Line Defenses

## TODAY on the Warfronts

LONDON, Dec. 4.—(P)—American heavy bombers blasted Berlin with almost 2,000 tons of bombs today. Their fighter escort shot down 80 German planes, over the Nazi capital.

It was the first daylight raid by heavy bombers on Berlin in two months.

U. S. headquarters announced the loss of 12 bombers and three fighters from the attack on the six rail centers Monday, which was carried out by 2,200 planes. The RAF bomber command announced the loss of 17 bombers and no fighters in the attacks on the three other rail targets. Two of the attacks were in darkness.

SAIPAN, Marianas Islands, Dec. 5.—(P)—Two mild earthquakes rocked Saipan at 6:30 a. m. today, awaking sleeping crews of American B-29 Superfortress bombers who had ignored reveille.

The shocks, came a few minutes apart. Each lasted for about a half minute. The rolling motion of the bombers was distinct but they caused no damage.

The quakes aroused considerable speculation that they might be echoes of a major quake in Japan.

WASHINGTON, Dec. 5.—(P)—The navy shortly will be spending \$100,000,000 monthly on rocket ammunition alone.

Rockets have been found increasingly useful, among other things, for spraying death upon Japanese machine gunners as a cover for landing operations.

ROME, Dec. 5.—(P)—British Eighth army troops have captured Ravenna, German stronghold on the Adriatic, the Allied high command announced today.

WASHINGTON, Dec. 5.—(P)—The United States has informed both Britain and Italy that it expects the Italian people to develop their government "without influence from outside."

The State Department's usual disclosure of police in such a case today apparently placed the U. S. in an opposite position from that taken by Great Britain which has officially opposed the inclusion of Count Sforza in an Italian administration.

LONDON, Dec. 5.—(P)—Prime Minister Churchill informed Commons today that the Allies were making plans to see that Germany could not carry out any secret experiments to develop long-range weapons after the war.

"We have a lot of regular people on the job and so have our American and Allied friends," he told a member who raised the question.

## Purple Heart And Air Medal To Lieutenant Paul Alpert

Mr. and Mrs. Sam Alpert, of 506 West Fourth street, have received a purple heart from their son, First Lieutenant Paul Alpert, who is in a hospital in Italy recovering from wounds received a few weeks ago in action in France. Lieut. Alpert was with the artillery forces and was directing fire from an airplane when wounded he received injuries consisting of a fractured collarbone, six fractured ribs and lacerations under his eyes.

In addition to the purple heart Lieut. Alpert received the air medal for thirty-five combat missions.

After wounded he was rescued by a Catholic priest and was placed in an airplane with others and rushed to the hospital in Italy where he is now recovering satisfactorily.

In a letter from him he states plastic surgery may be resorted to clear up some of the discoloration under his eyes but that he will ultimately be all right again.

His letter states he does not want to be hospitalized for return to the United States as he desires to remain with the boys overseas and help to finish the job of bringing victory to the Allied cause.

Mr. and Mrs. James Waterfield, of North Stewart avenue, entertained Sunday evening at a dinner.

Guests were: Mr. and Mrs. William Dougherty and son, Eddie; Mrs. Vincent Siegel and sons, James and Mike; Mrs. Herschel Summers and daughter, Judy and Mrs. Samuel Waterfield.

Mr. and Mrs. L. J. Dietzel, 116 South Stewart avenue, were honored at a dinner Saturday evening on their thirty-sixth wedding anniversary.

The dining table centerpiece was of yellow chrysanthemums and yellow roses.

Seated at the table with them were their daughters, Mrs. Carl Bruce and son, Donnie of the home, and Mrs. Herschel Bremer, Mr. Bremer and son, Dickie, 1802 South Harrison avenue and Mrs. Dietzel's sister, Mrs. E. H. Kirschman of Prairie Home.

Mr. and Mrs. Louis Roedel and daughter, Neva Ella were guests for the evening.

Mr. and Mrs. Dietzel have another daughter, Mrs. Willia Stean of Denver, Colo., who was unable to be with them.

"The War as a Spur to Progress" said Rev. Clyde S. Sherman, pastor of the First Christian church, speaking before Sorosis Monday afternoon, "is an unusual subject. I wasn't sure that I liked it very well until I had thought it over and looked into it."

"Yes, the war has been a great spur to progress," he continued. "It is a great age in which to live and when it is over we shall be recipients of all of the good things that have come out of the scientific display of knowledge. War is a great spur to invention. There will be a materialistic world far more wonderful than any realist in his heart ever hoped for. There is a scientific trend, better automobiles, wonderful cars, perhaps smaller, more expensive to purchase but cheaper to run. One day people who never dreamed that they would ever fly will have a helicopter of their own, to come right down in their own yard. There will be a plastic age in which plastic will take the place of iron and steel. There will be new kinds of churches and new kinds of homes. In days to come we are going to see great things happen. We will enter an age of miracles. It is a great inspiration to live. Some of us will be out of step but the world will move quickly on."

"Second, war spurs to progress a group of men, professors, to work out safe economy," Mr. Sherman continued. "It will no longer be 'Brother can you spare a dime,' it will be 'Brother can you spare a job.' These men who will return from the battle front, who have been in bloody combat, come back, perhaps broken in body but not broken in spirit. These men who have been killing other men are daring men, men without fear and they will demand jobs. What will we do to guarantee jobs?"

"There must be a staple world," Mr. Sherman said, without inflation. Today we live in a false prosperity because it was built by the pouring out of the blood of men. But tomorrow there must be a balancing. A building of machines, new jobs, new positions—a new era of life. Can science give the answer to this great question in the closing months of the war? Jobs for all."

"Third, the war is not only a great spur in the material world which will be to us like a Christmas tree to the children, something of wonder and amazement, but we must have something in spirit in a new world, a new age. If we do not, we have fallen behind. In spite of all the darkness and shadows there must emerge a spirit to match the new world. A day will come when we all will grip hands with our neighbors," Mr. Sherman said. "There will not only be a new materialistic age, a new economy where everyone will be free from fear, but there will be a voice in the midst of this world chaos saying: 'It is I. Be not afraid.'"

The speaker was introduced by Mrs. Abe Bertman, chairman of the Civics department.

Miss Etta Hurley, chairman of the Current Topics department, announced that the speaker at the next meeting which will be January 8 will be Dr. G. H. Benton, dean of Drury college, Springfield. Dr. Benton will speak on "Fundamentals of International Relations."

Mrs. Austin Hurley, president of Sorosis, presided over the meeting.

### Church News

The Woman's Society of Christian Service of the First Methodist church will meet at 1:30 o'clock Thursday afternoon at the church.

The program will be given by the Mary and Martha circle and the Snyder circle will be in charge of the social hour.

A party was given Saturday afternoon at the home of Mr. and Mrs. George M. Bryan, 817 East Fifth street, in honor of the seventh birthday anniversary of their son, George "Nicky" Bryan.

Those who attended were Nicky's second grade roommates of Washington school — Tommie Wasson, Franklin Lindsey, Harriet Schmitt, Laurence Roberts, Tommy Shull, Kenneth Woodson and Ruth Payne; two cousins, Shirley and Dixie Bryan and three friends, Pat Henley, Dickie Lynn Shoemaker and Jimmie Shull.

During the afternoon, games were played and refreshments of cake, ice cream and soda pop were served. Game awards went to Tommy Shull and Ruth Payne and favors were presented each of the children.

Assisting Mrs. Bryan were her mother, Mrs. A. O. Heisterberg, Mrs. George P. Bryan and Miss Blanche Harness, second grade teacher at Washington school.

Circles of the Congregational-Presbyterian church will meet at the following places Thursday afternoon:

Circle No. 1 with Mrs. J. L. Van Wagner, 1303 West Fourth street, at 2:00 o'clock. Mrs. J. G. Love is chairman.

Circle No. 3 with Mrs. Peter Hoffman, 300 West Fifth street, at 2:00 o'clock. Miss Esther Lewis is chairman.

Circle 3 with Mrs. A. M. Hoffman, 821 West Sixth street, for a 1:00 o'clock luncheon. Miss Helen Bowers is chairman.

Miss June Harris of Smithton entertained with a miscellaneous shower Saturday evening at her home honoring Mrs. Irvin E. Cramer, the former Miss Ruth H. Williams, who on November 3 became the bride of Sgt. Irvin E. Cramer of the air corps, stationed at Brookley Field, Ala.

Mrs. William Green and Mrs. Cramer were awarded prizes in the contest games.

**Revival Continues at Free Methodist Church**

Rev. E. M. Osteen, who is speaking at the Free Methodist church, Thirteenth street and Marvin avenue, through December 17, used as his text Sunday night, "What Have They Seen in Thy House?"

His subject Monday night was "American Youth Dilemma" or the "Four Tragic Withouts."

**Reasons For Small Families**

CANBERRA, Dec. 5.—(P)—No home, lack of help, and lack of security were among the reasons given by 4,000 Australian women who were asked why families were so small.

### Church Has Anniversary

The 75th anniversary of La Monte Christian church was observed at services Sunday.

On December 7, 1869, some of the pioneers of the community met to organize a Church of Christ after the New Testament order. The first house of worship was built and dedicated in 1871. A larger and better building was dedicated in 1904 and this structure was remodeled and enlarged with re-dedication services in 1925.

Erection of new buildings, however, do not serve as the only example of growth of the church. New names have been added to the church roll from time to time and the congregation feels that they have grown in courage and determination.

**"Riffs and Rhythms" Will Show at SAAF**

SEDALIA ARMY AIR FIELD—Dec. 5—"Riffs and Rhythms" is the USO-Camp show fun fare arriving here on Thursday, Dec. 7, for two performances at the base theatre. Leonard Rogers is master of ceremonies in this show which presents Sally Gooding, the contralto stylist of song who has sung with Duke Ellington's band, Cab Calloway, Gene Krupa, Lucky Millinder, Fats Waller and Earl Hines. She's played the RKO and Lowe's circuits in twelve years of show business with many additional night club appearances.

**Two Divorces Granted**

Two divorces were granted in circuit court Monday by Judge Dimmitt Hoffman.

One was to Hazel Vaughn from Clyde Vaughn. The plaintiff was awarded the care and custody of their minor child and awarded \$25 for the support of the child.

The other was to Marian Young Marr, a minor, etc., from Cecil Eugene Marr. The plaintiff's maiden name Marian Young was also restored by the court.

**No Big Sixers On M. U. Private All-Star's**

COLUMBIA, Mo., Dec. 5.—(P)—The Big Six conference, with football teams that usually get a licking whenever they went visiting this season, was without honor in its own league, too.

The University of Missouri football team picked its all-opponents team—and not a Big Six player was put on its private all-star eleven.

**Lt. Angelo Bertelli First To Sign In All-American**

LOS ANGELES, Dec. 5.—(P)—Lt. Angelo Bertelli, Notre Dame's quarterback and crack forward passer of 1943, is the first player to sign with the Los Angeles team of the proposed All-America pro football conference. He now is

## U. S.—Japs Each Lose Destroyer

Majority Of Crew Of Americans Are Rescued By U. S. Patrol Planes

By James Hutcherson

GEN. MAC ARTHUR'S HEADQUARTERS, Philippines, Tuesday, Dec. 5—(P)—American and Japanese

naval forces each lost a destroyer in a sea and air clash in Ormos gulf off Leyte Saturday night, headquarters reported today. In addition, another enemy destroyer was believed damaged.

The majority of the American crew members were rescued in a daring action by far-roaming Catalina patrol planes with fighter protection. The engagement marked a major action in the expanding battle for the Ormoc corridor.

Gen. Douglas MacArthur's communique said the American destroyer probably was sunk by a floating mine. Seamen voiced the belief the vessel was hit admships by an aerial torpedo.

The American naval force steamed into the gulf in the face of air attacks and shore fire. American destroyers daringly penetrated Ormoc Bay for the first time last week, shelling enemy supply and reinforcement port of Ormoc.

To reach Ormoc, the vessels had to skirt Leyte Island, stealing along the enemy-held shorelines and slicing through narrow passages and daring mine-sown waters.

#### COMMUNITY NEWS from—

### Smithton

Mrs. R. R. Lujin

More than 100 relatives and friends attended the wedding reception at the home of Mr. and Mrs. Lee Hoehns Wednesday evening in honor of Pvt. and Mrs. L. D. Hoehns, who were married that afternoon. The couple received many gifts. Ice cream, individual cakes and soda pop were served. Four soldiers were present, Pvt. Hoehns, Pvt. Dale H. Miley, Sgt. George Teter and Pvt. Carl Hoehns.

Pvt. and Mrs. L. D. Hoehns left late Wednesday night for a short visit with Mrs. Hoehns' parents, Mr. and Mrs. H. H. Eddy, and daughter, Kathleen, of Wichita, Kas.

Mr. and Mrs. Barney Benson, of Mexico, Mo., who were special guests at the wedding, supper and reception of Pvt. and Mrs. L. D. Hoehns, returned to their home Thursday morning.

Charles A. Jurries, A/c, who is stationed at Iowa City, Ia., and Miss Melrose Jurries of St. Louis, spent several days at the home of their parents, Mr. and Mrs. Charles Jurries, near Smithton. Cadet Jurries also visited his sisters, Misses Melrose and Fern Jurries, of St. Louis, for several days while on his furlough.

S/Sgt. Orlie Young, son of Mrs. Minnie Young of Smithton, left Tuesday for Ft. Wright, near New London, Conn., where he has been stationed for some time. S/Sgt. Young was the guest of honor at several dinners during his two-weeks furlough. Sunday the following relatives gathered at the home of his mother and brothers: Mr. and Mrs. Chris Young, Mr. and Mrs. Art Young, Mr. and Mrs. Lawrence Boettcher and children and Mrs. Victor Young, all of Sedalia, Mr. and Mrs. Charlie Young of Windsor, Mr. and Mrs. Ernest Lindeman, Mrs. R. L. Young, Jr., Mrs. R. L. Young, Sr., Mrs. Marian Marr, Miss Stella Jo Young, Dorothy Smith and little Margaret Sue Morris. Saturday evening he was honor dinner guest at the home of Mr. and Mrs. Charles Young of Windsor. Others present were: Mrs. Minnie Young and sons, Clayton, Lloyd, Cecil and Wray, and Mr. and Mrs. Ernest Lindeman. Sunday night the last named group were guests of Mr.

## Senate Passes Pension Measure

WASHINGTON, Dec. 5—(P)—The first pension bill for World War I widows and orphans ever to reach the floor of the senate passed that branch of congress Monday without debate.

Authorizing benefits ranging up to \$74 monthly, and estimated to cost \$37,000,000,000 in its first year of operation, the bill previously had passed the house but must return there for action on extensive amendments.

Limited to widows and children of veterans of the First World War the bill provides a basic rate of \$35 monthly for widows, and \$45 for a widow with one child. The house bill fixed a rate of \$30 for a childless widow, and \$38 for a widow with one child.

The senate approved benefit scale allows \$5 for each additional child. In the case of orphans, benefits would start at \$18 and range up to \$36 for three orphans of the same veteran, plus \$4 for each additional orphan.

Neapolis lodge 153, I. O. O. F., will meet in regular session Tuesday night at 8 p. m. Election of local and grand lodge officers. Refreshments will be served after the business meeting.

## Ask Combat On Over Optimism

Correspondents State Much Hard Fighting Ahead

KANSAS CITY, Dec. 5—(P)—J. Norman Lodge, veteran Associated Press war correspondent, called on Kansas and Missouri newspaper editors Monday to help combat "the alarming over-optimism in this country" about the Pacific war.

"We could lose the Pacific war in this country," he said. "And we're in a fair way to doing it. Japan is willing to fight 50 years in the hope of somehow getting a negotiated peace which would allow her to keep part of the empire."

Lodge said the Pacific war was a matter of supply and incredibly difficult fighting. He leveled criticism at "civilian swivel chair generals who think we can take care of the Japs in jig time when the war in Europe ends."

He said there should be no let-up on the home front.

"I've heard more griping since I got back in this country than I ever did down there," he declared.

#### Advantage To Allies

Henry B. Jameson, of Abilene, Kas., who has covered the air war in Europe for the Associated Press, said there was much hard fighting and many casualties ahead before Germany would be defeated.

"The German soldier is a whale of a fighter," he said, "but the Germans have all their chips on

the table right now. We've still got some in reserve, and that's the difference."

Jameson said that if the buzz bombs had started six weeks earlier and been more accurate Germany might have been able to retard or even prevent the invasion of France.

Both the correspondents spoke at a joint meeting of Kansas and Missouri Associated Press newspaper editors and publishers.

Fred Naeter, Cape Girardeau, Mo., was re-elected chairman for Missouri, and Jess Demius, Dodge City, was re-elected chairman for Kansas. Charles Nutter, southwest division news editor of the Associated Press, was renamed secretary for both groups.

E. K. Gaylord, publisher of the Oklahoma City Oklahoman and Times, directors of the AP, made a general business report to the afternoon session.

Coverage of world news by the Associated Press on an unprecedented scale will follow conclusion of the war, Roy Roberts, manager editor of the Kansas City Star and a member of the AP board of directors told editors of the two states.

Experience of war correspondents will go into the board's plans for this expanded global news coverage, Roberts said.
